Sec. 91.106. OPERATIONS DURING CERTAIN EMERGENCIES.

(a) In this section, "director" means the executive director of the department.

(b) The director may issue an order authorizing the department to lease rolling stock and to contract with a qualified person or rail operator to operate rolling stock if:

2 in the affected area.

3           (c) An order issued under Subsection (b) takes effect  
4 according to the order's terms, but the order may not take effect  
5 until reasonable notice is given:

6           (1) in a newspaper of general circulation in the  
7 affected area;

8           (2) through television or radio serving the affected  
9 area; or

10           (3) by circulating notices or posting signs at

19 after the date the successive order is issued.

20           (g) The department may not use department employees to  
21 operate rolling stock.

22           (h) The department may enter into a contract authorized by  
23 an order issued under Subsection (b) for a period not to exceed 90  
24 days without using competitive bidding procedures otherwise

26 least three qualified persons during the contracting process.

27           (i) Immediately after the department enters into a contract

1 under this section, the department shall send a copy of the contract  
2 to the Legislative Budget Board. On request of the Legislative
